The digital signage display is mounted on a lift wall. It features a news article from ECN titled 'UK HAS WARMEST SPRING ON RECORD AND DRIEST IN 50 YEARS AS CLIMATE CHANGE BITES'. The article includes a photo of a dry landscape and text stating that England had its driest spring in more than 100 years, while UK-wide there were also record levels of sunshine for the season. The display also shows a weather forecast for the next three days (Mon, Tue, Wed) with a current temperature of 26°C and a time of 12:17. The display is branded with the ECN logo and the Imperium logo.
